

1st Annual HMS Golf Tournament

Hannah More School

HMS is a non-public day school in Reisterstown, MD that serves students who have a disability of emotional disturbance, autism, and/or a learning disorder. Our school offers individualized academic, vocational, and therapeutic programs in an educationally challenging environment. Providing our students with this type of education is a rewarding but challenging task—and one that is not fully covered by state and federal funding. This event will help to defer the cost of educating and preparing these students to reach their greatest potential.
